LKS Faculty of Medicine  
HKU Health System Clinical Centre  
香港大學醫療系統臨床中心

## HKU Health System Clinical Centre

香港大學醫療系統臨床中心

A Faculty-based facility that aims to:

Facilitate clinical research

Support HKUMed's need for clinical teaching and learning

Support clinical outside practice activities

Provide a platform for knowledge exchange

## A Hub for HKUMed's Clinical, Research and Teaching Activities

- Faculty's approved site to undertake clinical outside practice
- Provide fit-for-purpose facilities for clinical consultation and minor procedures
- Manned by a nursing team, providing onsite support (including blood taking) to clinical, research and teaching activities
- Pharmacy services supported by HKUMed Community Pharmacy
- Online venue booking system available
- Convenient footbridge linking to Queen Mary Hospital and HKUHS Clinical Centre on 2/F, 3 Sassoon Road
- Facilitate clinical research and small group teaching activities in clinic settings

Online booking system via HKU Portal  
(for HKU staff members only)  
<https://app.med.hku.hk/HKUHSBooking/>
