

我們的特色 Our Features

專業一對一藥物諮詢

Professional One-to-one Medication Consultations

港大社區藥劑師與你單獨傾談，提供個人化及詳盡解答

Individual consultation with HKUMed Community Pharmacists provide a personalised and in-depth explanation to your enquiries

擁有跨專業的醫療團隊

Interprofessional Healthcare Team

港大社區藥劑師與香港大學醫療系統臨床中心的專科醫生及護士攜手合作，提供一站式醫療服務

Collaboration with specialist doctors and nurses from HKU Health System Clinical Centre in providing one-stop healthcare services

設有兩間獨立諮詢室

Two Private Consultation Rooms

私隱度高，讓你在舒適及保密的環境下，放心向藥劑師提出任何健康及用藥疑問

Secure both privacy and confidentiality for any health and medication consultations

培訓熱心藥劑學生

Training of Enthusiastic Pharmacy Students

港大社區藥劑師親身教導藥劑學生，培育下一代藥劑師，致力為你服務

On-site training of Pharmacy students by HKUMed Community Pharmacists to nurture the next generation pharmacists who are devoted to serve

主要服務對象 Main Target Customers

我們歡迎公眾到訪。

由於位處瑪麗醫院旁的港大醫學院校園，因此我們的主要服務對象為瑪麗醫院病人、香港大學教職員及學生。

We are open to the general public.

We are located on Sassoon Road HKUMed campus next to Queen Mary Hospital, therefore our main target customers will be QMH patients, and HKU staff and students.

我們的服務 Our Services

憑醫生處方配藥

Prescription Dispensing

處方藥物的常見例子有

三高藥物（高血壓、高膽固醇及高血糖）、心臟病及中風藥物、抗生素等

Common prescription-only medications include Medications for treating high blood pressure, high cholesterol, diabetes, heart disease and stroke, and antibiotics, etc.

如需配處方藥物，歡迎 WhatsApp 藥劑師查詢
Feel free to WhatsApp our Pharmacists if you would like to purchase prescription-only medications

📞 5744 3694

請攜帶有效的處方前來配藥，樣本如下：

Please bring a valid prescription for dispensing, samples as follows:

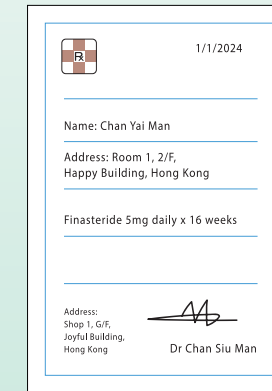

政府處方

Hospital Authority Prescription

私家醫生處方

Private Prescription

藥劑師小病小痛管理服務

Minor Ailment Service by Pharmacists

即使你沒有處方也可到訪藥房。我們的藥劑師可以解答你健康相關的問題，例如：

You do not need a prescription to interact with the pharmacy. You could talk to our pharmacists if you have any health concerns, for example:

旅行藥物
Travel Medications

傷風感冒
Cold and Flu

腸胃不適

皮膚痕癢
Itchy Skin

暈車暈船
Motion Sickness

肌肉痠痛
Muscle Soreness

蚊叮蟲咬
Insect Bites

健康護理產品 / 儀器

Healthcare Products / Monitoring Devices

血糖 / 血壓計
Blood Glucose / Blood Pressure Monitors

傷口護理
Wound Care Products

營養產品
Nutritional Products

保健品
Supplements

社區藥房會顯示「Rx」標識
A community pharmacy will display "Rx" logo

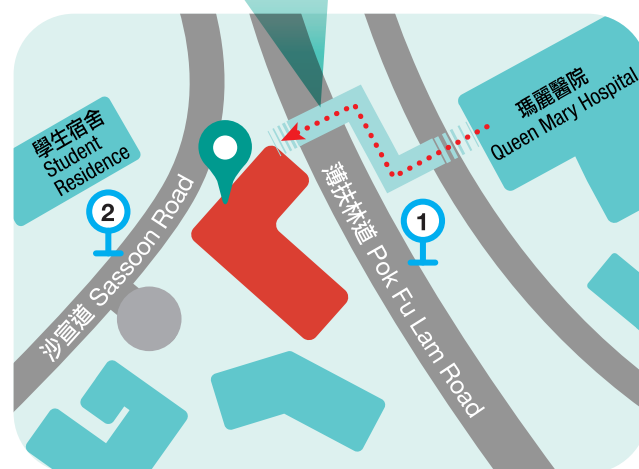

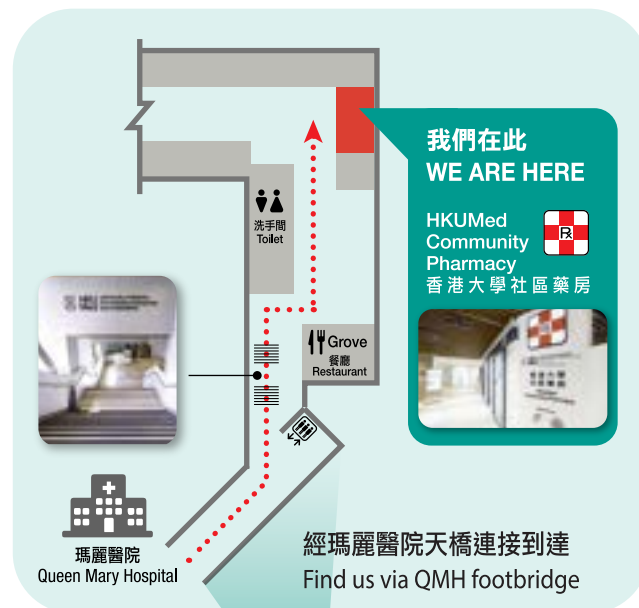

由註冊藥劑師主理
Have a registered pharmacist on duty

你可以手持醫生處方到社區藥房配藥，亦可向藥劑師諮詢小病痛的建議並共同制定合適的治療方案，及查詢有關用藥及健康產品的疑問。

You could visit the pharmacy with or without a prescription. Pharmacists will give suggestions on your minor ailments and devise a treatment plan with you. You can also seek professional medical advice, especially on enquiries about medications and health products.

使命 Our Mission

- 建立**可持續**的教學社區藥房
Develop a **sustainable** teaching community pharmacy model
- 培育**下一代**的社區藥劑師
Nurture **future** community pharmacists
- 促進**跨專業**服務，為病人提供更全面的護理
Facilitate **interprofessional** health services to provide comprehensive care
- 確保**護理服務連貫性**，致力提升病人的生活質素
Ensure **continuity of care** in the community to improve quality of life of patients
- 推動**實踐研究**，發揮社區藥房服務的重要作用
Use **practical research** to substantiate the importance of community pharmacy services

甚麼是
社區藥房?
What is a
community
pharmacy?

香港大學社區藥房 HKUMed Community Pharmacy

香港大學社區藥房於 2024 年創立，位於瑪麗醫院旁邊的港大醫學院校園。本藥房由港大醫學院藥理及藥劑學系的藥劑師主理，亦是全港首間大學營運的教學社區藥房。我們致力於提供專業及創新的臨床及社區藥房服務，加強跨專業研究與教育及推廣基層醫療。

HKUMed Community Pharmacy is established in 2024 and is managed by Pharmacists from the Department of Pharmacology and Pharmacy of HKUMed. We are the first university teaching community pharmacy in Hong Kong, which is located on HKUMed Campus next to Queen Mary Hospital (QMH). Our goal is to promote innovative interprofessional teaching, research and service models, and to strengthen the role of pharmacists in primary healthcare in Hong Kong.
